BRIEF ABSTRACT OF LETTER.

Forwards copies of correspondence between his office and D.C. Shimoga regarding a claim for the second time to T.a for one viz May 1911 and the same month preferred by Mr. Y. Narasimha Rao, Amildar of Tirthahalli

NOTES AND ORDERS.

~~Probably~~ The Amildar is expected to keep a diary wherein he records the details of his journeys for which he submits a bill after his return to Head Quarters. He has either not maintained a diary.

or has not made use of it. Br I may be consulted as to ~~what~~ the mode in which the Amildar is expected to maintain the diary.

2) The Countersigning officer i.e. D.C could have found out the mistake if he had kept the Register of bills Countersigned and sent to the Comptroller: But the D.C says he had not maintained such a Register.

3) The Comptrollers states that there is no reference to any punishment or censure for the Amildar's Conduct, in the D.C's letter.

31 The tuildar's explanation for having submitted 2 bills is contained in his report D 15.2.1912 and his letter dated '28th Dec 1912'. Although the tuildar admits that he was responsible for the mistake, yet it is thrown on the clerk in the D.C's letter. Remedies to prevent such mistakes are neither suggested nor adopted. But the D.C has said that a Register of bills has been posted from July 1911.

At the same time it has to be stated that the D/S's Office failed to maintain a Register authorised by the rules. Mr. Woodhouse to keep Office Copies of bills. Forwarding for orders of Govt. the certain copies of correspondence between this Office & Govt. Stamp

Letter No. 4574/T.A.53 dated 5/7th February 1912 from the Comptroller, Mysore Government, to the Deputy Commissioner Shimoga.

In returning herewith the Travelling Allowance Bill of Mr. Y. Narasinga Rao, Amildar, Thirthahalli Taluk, for May 1911 for Rs.11/-, I have the honor to point out that another bill of the same officer for Rs.10/- for the same month/ containing the same journeys and audited by this office has been cashed by Mr. Narasinga Rao in the Thirtha~~l~~halli Taluk Treasury on 28th September 1911 and therefore it is not understood how a second bill on the same account has been sent for audit.

The original bill was prepared and countersigned for Rs.13 ~~which~~ while the present one is for Rs.11/-, and on comparing the two it is seen that the journeys on the 18th and 19th have been omitted from the latter, and some differences in the distances entered are also noticed. Mr. Narasinga Rao has apparently not kept any record of the claims already preferred by him, or if any such record is maintained, no use is made of it. Also no record of the bills countersigned by the Deputy Commissioner appears to have been maintained in the District Office.

I therefore request that you will be good enough to enquire into the circumstances that led to this irregularity both in the Taluk and District Offices and to communicate to this office the result of such enquiry along with the steps taken to prevent the recurrence of such irregularities.

The bill under reference may be cancelled and filed in your office.

Adverting to your letter No. 4574/T.A.53 dated 6/7th February 1912 regarding the Travelling Allowance Bill of Mr. Y. Narasinga Rao Amildar, Tirthahally for May 1911, I have the honor to state that the submission of a second bill for the month in question was due to the Amildar not having maintained a record of the claims already preferred.

2. The Register of the bills countersigned and forwarded to the Comptroller has not been regularly maintained in the District Office. The Register has now been correctly posted up from July 1911.

3. This, it is hoped, will obviate the recurrence of such very regrettable mistakes.

I greatly regret for the unfortunate blunder that has been committed in this matter. I find from the office Register that the 8 A letter for May 11 was submitted in due course on 13th. June. The fact having been lost sight of. And this appears to have been ~~submitted along with~~ the letter for June on 24th. July 1911. This blunder appears to have crept in no proper office copies had been regularly kept. Office Copy is being properly kept from July 1911. The office copy of the diary has been submitted for reference and kind return. I have to see how any change has been made for the 18th & 19th. When no travelling has been done on those days.

My dear Sir,

Your Kind D.O of the 25th inst
to hand.

As stated in the despatch
copy of my diary for May '11 I
travelled to and from Kasaravalli
on the 18th and 19th idem respectively
December it was as my visit then
to Kasaravalli was connected
with an important event there.

My Lord having entered the journey in my office copy of the diary must have been an omission by forgetfulness at the time of writing the diary. Then submitting the despatch copy I must have recollected the journey when reckoning the number of elimination days and inserted it in that copy. The necessary alterations have by oversight not been made in the office copy.

It may be necessary to add that the diary appears to have been written on the 22nd for the work done from the 17th to 22nd inclusive.

Such are the facts. I am very sorry for all the confusion and blunder caused by me. I hope my explanation has now cleared the situation.

I would have very gratefully taken advantage of the calm

Dear Mr. Lakshminarasimha Rao,

A small typographical error has crept into this office No. 185/Fl.2 dated 6-12-1912 to the Financial Secretary to Government.

2. The word "not" has been by mistake, inserted between "I can" and "confidently" in the third paragraph.

3. This renders the sentence quite unmeaning as will be apparent from the context. A correct copy of the letter in question was therefore despatched yesterday to the Registrar's address, and I request that this

To

J.S. Chakravarthi, Esquire, M.A.,F.R.A.S.,etc.,

Financial Secretary to the Government

of Mysore, B a n g a l o r e.

Sir,

I have the honour to forward herewith the -- correspondence called for in your letter No. Fl. 4776/S.&.A. 4-11-14 dated 9th May 1912 and to state that I have assured myself that Mr. Y. Narasinga Rao performed the journey to Kasaravalli, but omitted to note that fact in the office copy of his diary- which has been the cause of all this confusion.

2. The submission of a second Travelling Allowance bill for the month is due to the ignorance or carelessness of the clerk; as stated in my letter No. 3379 x dated 6th April 1912 the repetition of such irregularities has been guarded against.

3. It may not be amiss to add that from my six years' acquaintance of Mr. Y. Narasinga Rao, I can confidently say that he is incapable of any act unbecoming an officer and a gentleman.

4. The delay in replying has been due to my absence at Mysore for the Dasara.

I have the honour to be,

Sir,

Your most obedient servant.

Treasury Assistant Commissioner.

For Deputy Commissioner,
Shimoga District.
